Precontractual Disclosure Statement to the Buyer

Part A | General Information about strata titles schemes

What you need to know

This information applies to a lot in a strata scheme or survey-strata scheme (scheme), which is subject to the *Strata Titles Act 1985* (the Act). Section 156 of the Act sets out that the seller of a strata lot or survey-strata lot (lot) must give the buyer certain information before the buyer signs the contract of sale.

Instruction for the seller

The seller must give the information incorporated in this document to a buyer before the buyer signs a contract for the sale and purchase of a lot in a scheme. Failure to do so may give the buyer the right to avoid the contract and/or delay the proposed settlement date.

Information for the buyer

The buyer should keep this document including any attachments in a safe place as it contains important information which might be needed at a later date.

It is strongly recommended that the buyer read all the information provided by the seller before signing the contract. The buyer should consider obtaining independent professional legal advice before signing the contract.

There are different rights, restrictions and obligations that apply in relation to a lot in a scheme than those that apply to a 'green title' lot. Those rights, restrictions and obligations can be found in the Act, the *Strata Titles (General) Regulations 2019* (regulations), scheme by-laws, the certificate of title, the strata / survey-strata plan for the lot and, if the scheme is a leasehold scheme, the strata lease for the lot. Your right to deal with the lot and to use the common property is restricted by these, as well as by any resolutions and decisions made by the strata company. You will not be able to build on the lot or make any alterations to (including removal of) a building on the lot without the approval of the strata company, except in certain circumstances.

As an owner of a lot, you will also have a share in any common property in the scheme. You will be a member of the strata company, along with all of the other lot owners, and have a right to participate in managing the scheme.

Each lot owner has to abide by the rules of the strata company, known as by-laws. By-laws can be different for each strata scheme and you should understand which by-laws apply to your scheme. The seller must give you the current by-laws before you sign the contract for sale. A strata company can make, amend or repeal by-laws by voting on them, and registering them with the Registrar of Titles at Landgate within 3 months.

As the owner of a lot, you will be liable to pay a strata levy or contribution to the strata company for expenses including for maintenance, repair and insurance of the common property unless the lot is in a scheme of 2 to 5 lots which may be exempt from these requirements. Be aware that if the unpaid amounts for the lot are not paid by the seller before you complete the purchase (settle), you as the new owner will have to pay the strata company these unpaid amounts.

As part of this disclosure you must receive the strata or survey-strata plan (the plan) which includes the lot you are proposing to buy. This plan will show all of the lots and the common property in the scheme. The common property is all the land within the scheme boundary that is not a lot. In a strata plan each lot is clearly identified, but the common property is not; it is everything that is not a lot. In comparison, in a survey-strata plan common property areas are clearly identified as common property. It is important to understand what is your lot, as you will be responsible for repairing and maintaining it, whereas the strata company will generally be responsible for the common property, unless there are by-laws which set out something different.

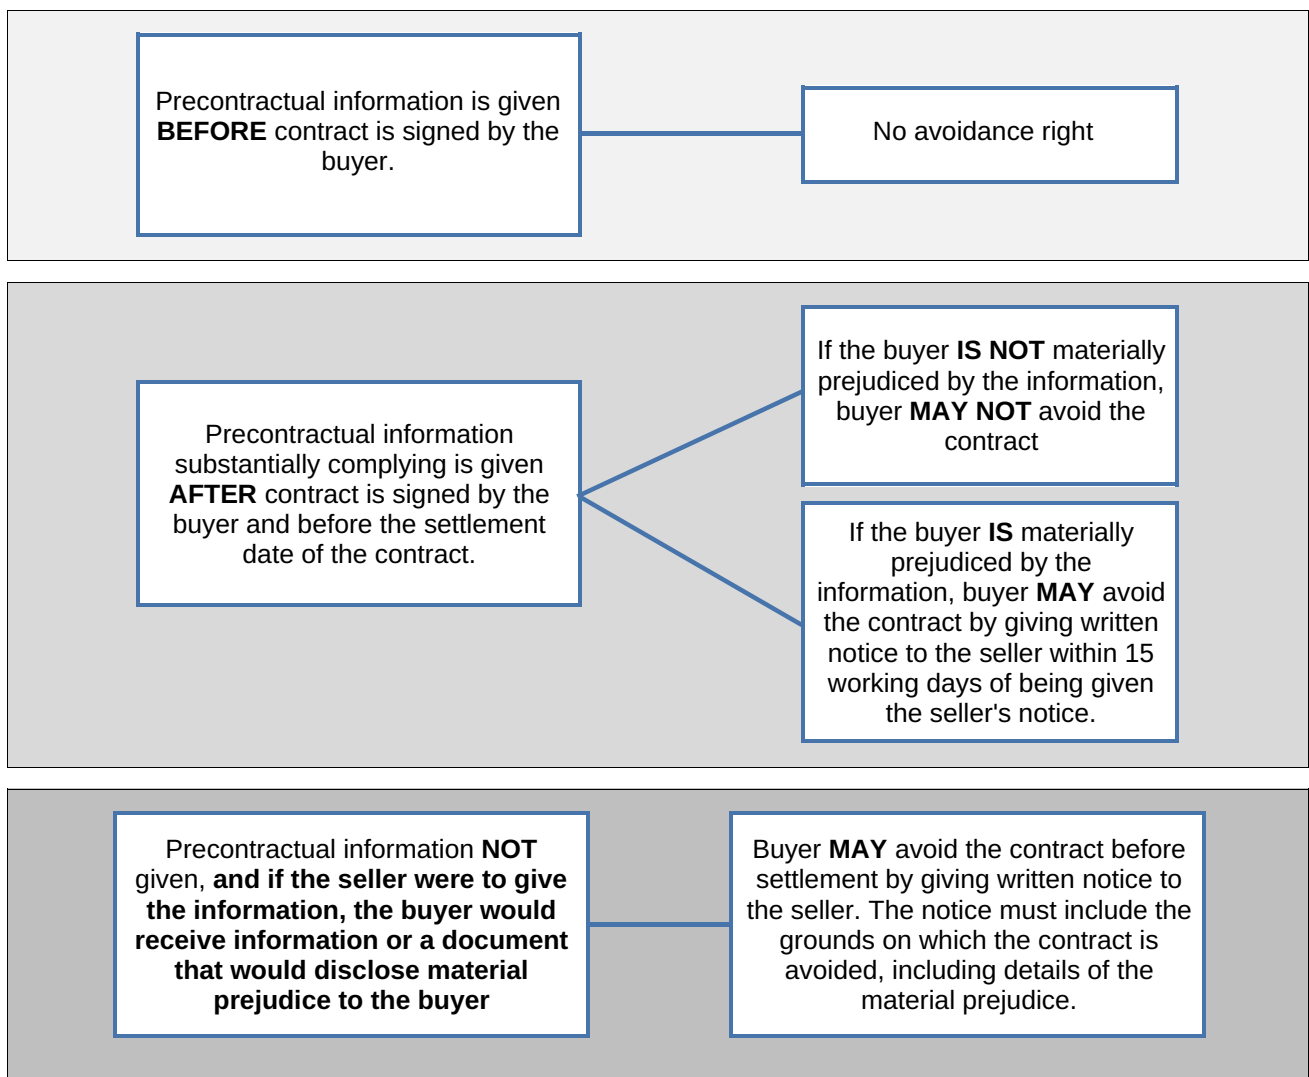

A buyer may consider seeking more information about the lot, the strata company and the strata / survey-strata scheme by asking the seller to provide it, or by making an application to the strata company for more information under section 107 of the Act.

The buyer should consider reading Landgate's publication *A Guide to Strata Titles* as this provides extra information about schemes.

Buyer's avoidance and other rights

Avoidance for failure to give precontractual information to the buyer

The buyer's right to avoid the contract for precontractual information is as follows:

Avoidance rights for notifiable variations

After the buyer has signed the contract, it is possible a particular type of event known as a type 1 or type 2 notifiable variation may occur. If this happens, the seller must provide written notice of the variation to the buyer before the proposed settlement date.

Type 1 and Type 2 notifiable variations are as follows:

Type 1 Notifiable Variation	Type 2 Notifiable Variation

c) By repealing Governance By-law 20, 24, 25, 26, 27, 28 and 31.

d) By adding the following Governance By-laws (renumbered as appropriate):

1. Duties of owner

(1) The owner of a lot must —

(a) immediately carry out all work that may be ordered under a written law in respect of the lot other than such work as may be for the benefit of the building generally and pay all rates, taxes, charges, outgoings and assessments that may be payable in respect of the lot;

(b) maintain and repair the lot, and keep it in a state of good condition, reasonable wear and tear, and damage by fire, storm, tempest or act of God excepted.

(1A) The owner of a lot must —

(a) notify in writing the strata company immediately on becoming the owner of the lot, including in the notice the owner's address for service for the purposes of this Act;

(b) within 3 days upon entering into any lease, licence or arrangement of their lot, notify the strata company in writing the full name, contact telephone number and email address of the person residing in the lot; and

(c) if required in writing by the strata company, notify the strata company of any mortgage or other dealing in connection with the lot, including in the case of a lease of a lot, the name of the lessee and the term of the lease.

2. Power of strata company regarding submeters

(1) If the supply of gas or electricity to a lot is regulated by means of a submeter, the strata company may require the owner or occupier of the lot to pay the strata company by way of security for the payment of charges arising through the submeter an amount not exceeding \$200 and, if any amount so paid is applied by the strata company under sub-by-law (3), to pay such further amount or amounts by way of such security as may be

necessary to maintain the amount of the security as, subject to this sub-by-law, the strata company may require.

(2) The strata company must lodge every sum received under this by-law to the credit of an interest-bearing ADI account and all interest accruing in respect of amounts so received must, subject to this by-law, be held on trust for the owner or occupier who made the payment.

(3) If the owner or occupier of a lot in respect of which a submeter is used for the supply of gas or electricity refuses or fails to pay any charges due for the supply of gas or electricity to that lot, the strata company may apply in payment of those charges all, or such part as is necessary, of any amount paid to the strata company by that owner or occupier under this by-law, including any interest that may have accrued in respect of that amount.

(4) If a person who has paid an amount under this by-law to a strata company satisfies the strata company that the person is no longer the owner or occupier of a lot and that the strata company no longer has any liability or contingent liability for the supply of gas or electricity to that lot during the period when that person was an owner or occupier of the lot, the strata company must refund to that person the amount then held on the person's behalf under this by-law.

3. Constitution of council

(1) The powers and duties of the strata company must, subject to any restriction imposed or direction given at a general meeting, be exercised and performed by the council of the strata company and a meeting of the council at which a quorum is present is competent to exercise all or any of the authorities, functions or powers of the council.

(2) Until the first annual general meeting of the strata company, the owners of all the lots constitute the council.

(3) If there are not more than 3 lots in the scheme, the council consists of all of the owners of the lots and, if there are more than 3 lots in the scheme, the council consists of not less than 3 nor more than 7 of the owners of the lots, as is determined by the strata company.

(4) If there are more than 3 lots in the scheme, the members of the council must be elected at each annual general meeting of the strata company or, if the number of lots in the scheme increases to more than 3, at an extraordinary general meeting convened for the purpose.

(5) If there are co-owners of a lot, 1 only of the co-owners is eligible to be, or to be elected to be, a member of the council and the co-owner who is so eligible must be nominated by the co-owners, but, if the co-owners fail to agree on a nominee, the co-owner who owns the largest share of the lot is the nominee or, if there is no co-owner who owns the largest share of the lot, the co-owner whose name appears first in the certificate of title for the lot is the nominee.

(6) Except if the council consists of all the owners of lots in the scheme, the strata company may by special resolution remove any member of the council before the expiration of the member's term of office.

(7) A member of the council vacates office as a member of the council —

(a) if the member dies or ceases to be an owner or co-owner of a lot; or

(b) on receipt by the strata company of a written notice of the member's resignation from the office of member; or

(c) at the conclusion of an annual general meeting of the strata company at which an election of members of the council takes place and at which the member is not elected or re-elected; or

(d) in a case where the member is a member of the council by reason of there being not more than 3 owners of lots in the scheme, on an election of members of the council (as a result of there being an increase in the number of owners to more than 3) at which the member is not elected; or

(e) if the member is removed from office under sub-by-law (8); or

(f) if the Tribunal orders that the member's appointment is revoked and the member is removed from office.

(8) The remaining members of the council may appoint a person eligible for election to the council to fill a vacancy in the office of a member of the council, other than a vacancy arising under sub-by-law (9)(c) or (d), and any person so appointed holds office, subject to this by-law, for the balance of the predecessor's term of office.

(9) Except if 1 person is the owner of all of the lots in the scheme, a quorum of the council is 2 if the council consists of 3 or 4 members; 3, if it consists of 5 or 6 members; and 4, if it consists of 7 members.

(10) The continuing members of the council may act even if there is a vacancy in the council, but so long as the number of members is reduced below the number fixed by these by-laws as the quorum of the council, the continuing members or member of the council may act for the purpose of increasing the number of members of

the council or convening a general meeting of the strata company, but for no other purpose.

(11) All acts done in good faith by the council, even if it is afterwards discovered that there was some defect in the appointment or continuance in office of any member of the council, are as valid as if that member had been duly appointed or had duly continued in office.

4. Election of council at general meeting

 - (b) indicating on the form the number of each lot in respect of which the person's vote is cast and whether the person so votes as owner or first mortgagee of each such lot or as proxy of the owner or first mortgagee; and
 - (c) signing the ballot form; and
 - (d) returning it to the chairperson
- (7) The chairperson, or a person appointed by the chairperson, must count the votes recorded on valid ballot forms in favour of each candidate.
- (8) Subject to sub-by-law (9), candidates, being equal in number to the number of members of the council determined in accordance with by-law 4(3), who receive the highest numbers (in terms of lots or unit entitlements as required under the Strata Titles Act 1985 section 122) of votes are to be declared elected to the council.
- (9) If the number (in terms of lots or unit entitlements as required under the Strata Titles Act 1985 section 122) of votes recorded in favour of any candidate is the lowest of the numbers of votes referred to in sub-by-law (8) and —
 - (a) that number equals the number of votes recorded in favour of any other candidate; and

12. Other Business

Special Levy

The owners discussed the introduction of a special levy to cover upcoming major expenses, including but not limited to the rectification of known common property defects:

- External Facade Waterproofing
- Roof Waterproofing
- Pool Liner Rippling
- Vehicle Gate Breakdowns
- Grease Trap
- Roof Gradient/Pooling

The proposed levy amount, payment schedule, and specific allocation of funds was considered in detail.

The owners also discussed a strata loan to fund these works.

Communication

It was noted that communication between the Council of Owners, Realmark Strata and Lot owners and residents could be improved. Suggestions were made to introduce a monthly notice via keep all Lot owners informed of ongoing works and any other relevant matters.

Lot Conversion for Grease Arrestor Installation

Lot 45 expressed concern over the uncertainty regarding the timeframe for the transfer of ownership specific to the reallocation of one of their part Lot carbays to common property for the installation of an above-ground grease arrestor. They also requested more frequent updates, particularly as an interim lease arrangement has been approved in the meantime.

Carpark Visibility

The owners discussed their concerns regarding the current visibility when exiting the carpark into the street, notably the restricted lines of sight due to street parking in the area. It was noted that these complaints should be reported to the City of Vincent.

Recognition

Realmark Strata extended a formal vote of thanks to the Council of Owners for their dedication, hard work, and contributions throughout the past year. Their commitment to managing and improving the strata company has been invaluable.
